SANYO reserves the right to make any variation in specification to the equipment described or to withdraw or replace products without prior notification or public announcement. All descriptions, illustrations, drawings and specifications in this publication are given in good faith, but are intended to present only general particulars and shall not form any part of the contract. For full installation details, please contact your SANYO distributor.

Rating Conditions

The cooling and heating capacities are based on the following conditions:

Cooling: Indoor temperature 27 °C DB/19 °C WB, Outdoor temperature 35 °C DB/24 °C WB.

Heating: Indoor temperature 20 °C DB, Outdoor temperature 7 °C DB 6 °C WB.

Printed using paper produced from 50% recycled material and 50% from sustainable forestry.
